Merriam-Webster's Collegiate[®] Dictionary

TENTH EDITION

A GENUINE MERRIAM-WEBSTER

The name Webster alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

Merriam-Webster™ is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.
